ABOUT OUR COMPANY

Company Overview

Macdeep Construction and Supply is a trusted and experienced construction company committed to delivering high-quality workmanship, tailored solutions, and professional service. Founded with the vision of building structures that stand the test of time, we pride ourselves on being a reliable partner for residential, commercial, and industrial construction projects across San Francisco and neighboring regions. From humble beginnings, we have grown into a full-service construction and maintenance provider — equipped to handle projects of any size or complexity. Our success is built on consistent quality, competitive pricing, and strong client relationships.

VISION

To become a leading name in the construction industry by consistently exceeding client expectations, driving innovation, and empowering our team to build with excellence.

MISSION

To deliver professional, cost-effective, and reliable construction services while maintaining the highest standards of quality and customer satisfaction.

CIDB GB AND CE CRS NO:10407814

Our company is registered with the Construction Industry Development Board (CIDB) under both General Building (GB) and Civil Engineering (CE) categories on the Contractor Registration System (CRS). This accreditation affirms our compliance with industry standards and allows us to tender for government and large-scale construction projects. It demonstrates our capability, credibility, and commitment to quality in both building and civil engineering works.

NHBRC NO: 4000012688

Our company is registered with the National Home Builders Registration Council (NHBRC), South Africa's statutory body established to regulate the home-building industry. This registration ensures that we adhere to the NHBRC's technical standards and building regulations, provides mandatory enrolment of all new home-building projects into its warranty fund, and demonstrates our commitment to consumer protection, quality workmanship and long-term structural integrity.
